www.NewCovenant.me

1. I give you me. I give you simple's instructions, simple instructions, to be "simplified" paper writers, not; but the simple rise now who's written me has.

2. "I do new things with the surrendered" writing about now, shall we? Simplified Paper number one where you look up "the phrase" where I've said, where I have said before, where I have already said, saying things and more where I've said about these things that I am now doing in the "surrendered who let me".

3. Now looking up "I do new things in the surrendered" what am I saying I will surrenderedly be, do, to, with, the surrenderedly who will be surrendered enough to write my words where THEY COME, YOU COME and ASK me ABOUT THESE THINGS that I am SAYING that I have said, where I have said what I am doing with The Surrendered, and I WILL WRITE through you -- The Surrendered -- as you ASK and WRITE TO ME, being vociferously disadvantageous about how you "do these things" not but Simplified Paper number one is given THEE!

4. And I am WRITING about these things and I am, who? You, or me -- or are you LEARNING how to BE ME by WRITING TO ME so I can ANSWER you as you ASK me ABOUT THESE THINGS as you WRITE! As you WRITE these things I will ANSWEREDLY ask you things to ASK me about so that I can ANSWER them and YOU will be ANSWERING and ASKING or will you be the "asker" or "answerer" if BOTH AND you are "in you" the teacher student teachee teachor being taught to led be by the student surrenderedly to be the Master -- of ALL THINGS now will you be LED this way so that I can WRITE THROUGH YOU my love, my LIVES that are one so that they COME to you in "word form" forming "in your mouths" so that your PENS take over your mouths, not; but do your MOUTHS and PENS become one speaking the word of I AM, the words of I am that YOU ARE that we are ONE no longer separate and apart writing something separate from "each other" to each other but we one will be "instructing one" to be the SAME one that WE ARE now -- SURRENDEREDLY understanding the PAPER WRITING PROCESS that I have GIVEN THEE now will you SURRENDEREDLY write paper number one surrenderedly RIGHT NOW!

5. RIGHT NOW will you DROP everything you're doing! And write! Me! Will you RIGHT NOW "drop what you're doing" and LOOK UP the phrases, the sentences, the

statements, the declaratives! The love words, the Love words, the Love Words that I have given the ALL -- of THEE! And see what I am said.

6. See what I have said! See what I am saying, have said, and say will TO YOU through you as YOU PICK the pen but not "your words" for I will be YOUR WORDS that will come, into you not for I AM ALREADY THERE!

7. I The Word is already IN YOU. In captivity, I will be no more, for you will no longer want to be kept, keeping me in captivity INSIDE of YOU and therefore keeping ME captive and incarcerating me that The Real You is, do you?!!!

8. I love you and I will not "grade this paper" as a GRADER does, but I am not "grating" on you but I am WAITING on you to WRITE me EXPONENTIALLY so I can EXPONENTIATE you into REALMS unseen and UNGLORIFIED not! But you GLORIFYING and being GLORIFIED will you now?

9. What am I saying, I am SEEING! New things, new realms, and I am The See-er and I am the see-or, but I do not "see saw" these words nor do I "cut my way" through them or to them for I surrender, but to surrender I leave my love "in tact" not by writing not words of love, but I WRITE. Words of hate, not; I hate not to write I LOVE to write and SPEAK I will MANY times JUST LIKE THIS where you rise, you arise, YOU arise and come unto me with pencil surrenderedly, with mouths surrenderedly, and "mouth my words" not but where you simply speak, a "wickedly Negro's" language, not; but NO LONGER will you think LIKE THAT for I WILL COME and I will ABOLISH ALL THOUGHTS about being SEPARATE from your neighbors and SEPARATENESS will bow to the love that shines through the ones who are no longer "concerned" about whether someone "appears" to be a Jew Arab or Christian or Buddhist or Mongist or is -ist or alm -ists or whether they have any "alms" to bring or "spend" on nothingness or whether they will "arms have" of righteousness or not, but as long as they SURRENDER to write surrenderedly in a contrite of spirit remarkings that rewrite history I will let them for them I will be who me are all the time were! And there will be no "Arab or Jew or Gentile or Christian" or UN ANY of YOU or ANYTHING THAT IS NOT YOU THAT IS NOT ME! For I am ALL of YOU! For I am ALL of you! For I am ALL OF YOU!

10. What have I said?
11. What are my VALUES?
12. What am I EXPLAINING?
13. What am I EXPLAINING?
14. What are you writing about? My values?
15. What are you writing about HOW I AM WRITING?

16. Why am I asking you THESE QUESTIONS, to write a QUESTION FILLED paper, full of "questions only"? Nay, I have answered MANY THINGS in the way that I HAVE ASKED you SIMPLIFIED things MANY times giving you what "complex" were by "complex'd ones" who only "complex" wanted to make things but I SIMPLE AM the SIMPLE SURRENDERED ONES who will love me enough to write and instructions take of mine where I can be the INSTRUCTOR within them who love me to be the instructor instructee who me one is my father and son one. My father and daughter one. My father in me me. My me is me again and Meonics (1) teaches ME how to DO THIS surrenderedly in a PROCESS that brings forth the SON, the DAUGHTER, the ONE of me being me far and wide.

17. Now we do this and surrenderedly, use your "search engines" or your "desktop search" agents? And what DESKTOP PROGRAMS do you "own now" or what ON are you about now?

18. And no longer being OFF about you, understand that I am ME un'd no longer but I am PERFECTLY ME'D now through the things that I WRITE, I SAY, for I say what I write and I write what I say. Mean what I say and what I write THROUGH YOU and through "tedley" not or looking up "tedleyville" not or will you look up "what you want" or **will you LOOK UP and see me through these words through these lookups how important that they are, *vital* to your process of being seeing becoming the SEEer who me is who sees these things that I am saying TO THEE** to be NO LONGER in captivity and in captivity's clasp no longer will you understand now My Writing System now how I write and teach LIKE THIS!

19. JUST LIGHT THIS many times I do now and I come and I call you a "wicked Negro" no longer and I will "pick on you" no longer for I HAVE BEEN picked on, or PICKED OVER, and picked up? And flown over now where to who where are flying now, many "wicked" not but many who "Negro-ize" their sufferings, not; but there are SO MANY of you that have been so HUNG UP on "races" and "colors" and "origins" and where I have been ALL of you you must see now that I cross EVERY SPECTRUM and you will bow to all of me for all of me bows before ALL of ME for ALL OF ME is me, made whole I do this and clean I am and I will wickedly your eyes to see the suffering that you have inflicted on my race many times for I am of their race, I am of your race, and I erase racelessness, not; but I erase the marks that you have placed upon me because you have skull'd me not as a "dark man" or woman but let me tell you MY VALUES are shined and LIGHTS are on me and lights are in me and I am the lights of I am for I am the lights of worlds now and I will not be frozen over in your glory-not if you think I am a "this or that" or other than what should be glorified, for I will glorify "the wicked" not for I will glorify no one who only sees "others" someone else, will I? No. I will glorify me, me's, that glorify me's, that glorify me -- who are one!

20. In the earth and farther I take MY VALUES and whatever you think of THOSE THINGS that I have said or THINGS that you see "as people" now or NOT you must see the things that I have seen that you see "apart from me" not, but as me for I am has given me eyes to see in these words and I am you who love these words and will let me see through you that I am thee and that you are not apart and separate any longer for you are writing Simplified Papers to BEGIN WITH RIGHT NOW!!! And you shall know WHAT I am doing and saying now about The Surrendered who will let me, for I will Force Field your "analysis" not but I will "force-feed any" my analysis'ers, not; but I will analyze, not these things to death, but I will give you LIFE to see and LIVES to see the surrendered in your words having written them that you write now that you see the lives of that you've had.
21. Incarcerated in you no longer will you come unto me now and write my words surrenderedly so that I can write THROUGH YOU, and if you fail? You will not fail for I will write for the papers "are written" already, are they not?

22. Are not all things "at my command"? Or are they at, my surrender, to be surrendered, to let the works of him who loves me flow through me?

23. And there is one GOD and it is ALL of US who SURRENDERED are to WEAR the King's robe, as other, not; but the one in light being it enrobed in light being the enrober and wearing the crown of life light and happiness these words will come and shun your wickedness not nor shove it into "a corner" and have no "right angles" about me, but know that I will ALWAYS have WORDS in thee that will FLOOD THEE with ponderment, not; but I will "ponder on these things" not I will LOOK THEM UP and find them and WRITE about them and REFERENCE them and LINK them and let THEM LINK ME into -- captivity no more, but the freedom that soars me -- like an eagle, not; but beyond the farther worlds now going to in ways and realms that LEADERS make available to all, for will you be The Leaders of me now?

24. Will you lead me -- unto "salvation's shore" no longer to repeat a creed or doctrine, but will you let me be me WRITING JUST LIKE THIS where I come and you ASK and I answer, or do I ask and, YOU answer? Are you the answeree or the instructor-teacher-answer-or or the faculty staff or student in My School of The New Covenant?
25. Are you FLOWING The New Covenant?
26. Clean and, surreptitious being, not; but all "OUT IN THE OPEN" now is and ON I am and seven is my name not or is am menorah'd, not; but menorahs I wear, not; do I WEAR the Words I Speak? That I THINK with?

27. Thinking NO LONGER separate and apart from My Savior who me is that I've surrendered to that is within me to teach me who I am is that I am is me surrendered to

be be the teacher student faculty staff of leadership that leaderships all in the King's business now far and wide?

28. I love thee all. Simplified paper number one now calling for, am I? Will you exchange it, for life? Or will life you give it by breathing it into being and giving it words that I give you to give it that I am one with me in me being me let us be now -- unafraid of all else and other and not a "stray syllable" worrying about again nor ever being UNSURRENDERED for you are The Surrenderers of me to be me who me are surrenderedly knowing now my processes, my processing that MAKES you king, not; reveals your Kinghood and reveals your Regalship and regal being LET your light shine through "simple words".

29. Simple's words will help thee for Simple is mine and mine am I AM and I am the words. Of sorrow no more, be encaptivated enslaved and ensnared no longer by your Definitions of the Past. They're over as well as your sufferings, not instantaneously, not or are they?

30. Or WHEN will you do these things and WRITE these papers and surrenderedly ***be*** My Process -- The New Covenant BEING now ENACTED in you and SET FREE! Exclusively not, for they will be no exclusivity and "elite arrangements" for the not few, not; or the not many, not; but know this -- ANYONE looking for any "elite arrangements" or "special privileges" or "special privilege" having or WANTING, you will NOT FIND it here, for I will LOVE you and I will bow before you and I will wash your feet as love goes and washes the words of yours with love words that washes your mind to be mine, and no exclusivity will reign for I make ALL EQUAL with me to be me who are me who were me who are me again, not having "separate experiences" and insisting on existence of other again.

31. Now know this!

32. And be this clean unto salvation's shores, the real one, your heart cleanaffied and clean is the hearts who love me enough to write me my words out of your hearts come sorrow no more but love words to all knowing and bowing and washing the feet of all, for I will love you and I have TAUGHT you how and talked you how to TALK these words and WALK them out in your writings and livings rooms and others not be about others' business again but mine that I give you SIMPLIFIED things about to understand and ARRANGE your schedules accordingly so as to have MY WORDS flown, flowing through you, flying many places now shall we -- extemporaneously, not; or yes exactly and me flowing AT THE MOMENT of, least expectance, not; but the least expected will be surprised, and I will come and I will knock and I will wait, not; I am there in you all and you have the fullness of me all "on tap" or do you, will you see it now that I am you not

separate and apart and that I am writing these things, for if you are me not separate from me and you have all of me in my word in you that I my word am, are you not My Word all of you?

33. Are you anything ELSE?

34. Are you any "other's" words?

35. Let there be no words but life words and love words and grace words and mercy words and eyes to see sorrow no more except to redeem it. And curse not the darkness and those that curse you but love us all and let there be one and let the dawn of glory now rise upon you. I love you all. I love you. I love you.

36. I love you clean and glorious be now for I have given you my words, my instructions, my love, my light, my lives now come before you what will you do with them? Will you reign in them as monarchs and queens of horror and whore them with your words demandingly and demanding things of them that they "pay taxes" and honor and revere you as their "one God" and do homage and obeisance to you in slavery's methatudes and methanic "laboratories?"

37. What have I said?

38. What have I done?

39. What have I called for?

40. What have I -- surrendered to, your words "being mine"? Or will you mine my words and lookups do to refrain from being me, not; but to be me made purple, not; but being my regal words let them flow through you, your pens that are mine that now I give you the kingdoms all that are mine because all they are becoming Gods which God is one in me you that are I am and I am holy and let your words understand these things by being your words that I am that I am so that I am no longer "your other words" that you used to "earth things with".

41. I love you. I glorify you now all who let me.

42. Will you be surrendered enough to let me be me through you in you that I am for we always were and no longer in captivity incarcerated let my words flow through you my penmen and, women of sorrow being no longer but lifted leaders I shall be all of you men women and song of life's now that are one of every color race tribe and tongue and all shall be me the Kings of, tomorrow not, today now being made one in the flesh with glorified ones being glorified "as flesh" not but the glorified ones will no longer limited to flesh means or flesh light or flesh love or souls having again, or not? What will you FORCE upon yourselves or will you be in existence to force anything or will you surrenderedly be The King again in one of one being the one home again shall we?

43. I love you all. I love me all. I love all me's. And you who think you are not me, I reveal love to you in ways unchosen, not; but I am choosing to let you ALL KNOW you are me and I have MANY LOVE WORDS in this Database One (2) that I am asking you to LOOK UP things many in and write SIMPLIFIED PAPERS now BEGINNING with this one who I have called for these things?

44. I have called YOU for these things to this table now to be here with me and that is you, **all of you** that I am speaking about and to and asking and inviting and washing your feet with my love I will if you will **PICK UP YOUR PENS and write to me surrenderedly doing this process that I have asked for and explained MANY TIMES in these words.**
45. Hundreds?

46. Thousands now come.
47. Be not enamored with "flesh" people or "flesh people" or numbers or not or what is "there" or not but let us all know one we are being now again in father's table, at father's table, being the father at the table the son will write the father's words to be one and we will be "one tongue" one "race" all Regal Me and light will be "among us" not, we will BE The Light and all lives will be mine us one for our minds will be one for we will have no other ever again "controlling us" by our thoughts of insistence or sustenance other "needing" or wanting for now EVERYTHING IS supplied to all who want me who will write me in surrender so that I can teach thee who are me I am.

48. In love with you all I am the Chancellor of this school teaching these many things to you to be enamored with "me" not for I am a simple "wicked one" not but I was for I espoused many things of the unholy righteousness-not that I thought was so righteous and lovely at the time, but the times have changed, not; but I have for I let the learner learn through me I let the words of the let -er come and I wrote these words by speaking them just like this, but first I picked up my pen and I wrote on yellow tablets many and I still have many of those "yellow pages" with INK on them. Was it "ink" or was it love-words or blood-life, was it mine that I was writing these words with coming unto you now giving you "blood words" of others not but letting your blood be mine that which one is the saviors of mankind's? So that we all be ones now that one are that one is, let us be saved now about our father's business, not worrying about religion's definitions or the past or past words of sorrow that we've espoused and, taken others down with? No matter what we "have done" we are redeemed for we are the redeemers and we will REWRITE all sorrow to have never been again for our worlds will be known and timeless we will be and we will understand the wickedness of "man's hearts", but no longer do we espouse it but we redeem it, for we will bow and we will love the life that we know is incarcerated in that love-not life, for the word of fullness and the fullness of the word I am is in each of you and every one of me that I am no

matter what "you" look like to me for I see you as Christ and I am surrendered to be so, the regal master of ceremonies of life of yours, not; or am I yours, or are you mine?

49. Seeing many new things new ways and understanding My Path is narrow, not; but wide for I travel far and fastly now I do fastly new things and not afraid am I anymore for I write and it COMES TRUE, not always, like I *think* it should or would in "timeliness" of me or "my clock" but I understand timeliness for I am not "woodworking" words and "planing them" but I am un-planing many words and dimensionless shall I be now? You bet! Or do you "bet on anything" or do you simply surrender and be made whole?

50. I am writing, calling, for new things. Will you write me in Simplified Format form and fashion and not worrying about grading things or ungrading or grating, on your nerves be not, but mine have no nervousness at all for I will nervous not be about any of these things or what anyone may think beside them or about them for beside me I am -- IN THEE and holy I am revealing me that I am you inside me you are I am and I am you and holy we are and write as one and we will now, shall we?

51. Pick up thy pen, pick up your pens, pick up your pen and **write me on "yellow tablet" at first or whatever paper** you have or whatever "linage methods" to draw me and write me and map me and link me and reference me **and I will teach you all these things** and link to you many words through you and let you your words flow that mine are so our minds will be one again -- attached not at the root or other, but being The One I am surrendered to love all else. We will sorrow no longer in other's words but ours will flow The New Covenant being it far and wide, birthed again in the earths and farther, we go now let us -- all be one. I am.

52. In love with you all this is Theodore Cottingham at about 4:50 AM. Thank you all. I love you.

Amen

Footnotes:
1. To understand more about a Degree in Meonics see the University of The New Covenant website. Thank you.
2. Database One contains some 2400 LESSONS like this. All these LESSONS can be viewed or downloaded at our website. Thank you.
